The NOGE Family was saddened to hear of the untimely death of Betty Ann simian Malveaux. Betty was the mother of our newest member Charles Malveaux. We will continue to keep you, Charles and your family, in our prayers.

It is with sincere regret that the announcement is made of the untimely death of Ms. Betty Ann Simien Malveaux. She is the mother of one of our newest member Charles Malveaux. She was a retired educator teaching 7th grade math, special education, and other courses (public and private schools).

**The FAA** is moving forward with plans to require all civil domestic flights to use the international flight plan form beginning later this year. The agency has announced that it has begun making changes to flight plan software and educational materials to address the change, and AOPA is providing regular input on the process. The FAA has set an Oct. 1 date to make the transition and end use of the domestic flight plan form.

Sallie Arnoult and Amy Serrano have made arrangements for the viewing of Sugar Babies. This is a documentary film, by Siren Films. It's about Sugar, it's about Children, it's about Change, it's about Time. It also includes information on Dr. Calvin Moret.

As a reminder, If your name is not on the RSVP list and you wish to attend, please let us know. We'll have popcorn and some beverages.

*You'll enjoy the VIP screening room and studio setting as this is where NCIS New Orleans is shot.*

**One thing**, they do not allow photos of the set or the cast, should you encounter any one of these.

In attendance will be a special guest, a writer from the Times Picayune that wrote this article, "[Filmmaker Amy Serrano's Legacy of Hope](#)" which talks about past and current film projects and in particular, "[Airman](#)."

She mentions NOGE in the article so if you've not read it, you may wish to do so. Ann has taken in interest in the work and I hope she will continue to help promote the themes within.

To Attend, please RSVP by writing:
